

Embrace The Difference

*"He drew a circle that
shut me out.
Heretic, rebel, a thing
to flout.
But love and I had the
wit to win:
We drew a circle that
took him in."
-Edwin Markham*

Cantalician Center for Learning; a not for profit agency, educating, training and enriching the lives of developmentally and physically disabled children and adults in Western New York for 55 years, is thrilled to announce their partnership with local jewelry designer Robyn Zimmer to offer the stunning “Embrace the Difference” symbol. Interconnecting circles connected by a square, shows that we are all linked together no matter what differences we may have .This symbol, which is available in a pendant, keychain, and pin; two toned (14kty/g and sterling silver) or sterling silver, will be produced by Reed’s Jeweler’s and proceeds will benefit the Cantalician Foundation.

As the mother of a developmentally disabled child, Ms. Zimmer has a passion for raising awareness, kindness and compassion towards the developmentally disabled children and adults. As we partner together on this project we hope to bring a new understanding and acceptance through this unique and special symbol. Please support our efforts. Together, we can truly embrace the difference.
